

## Cooking, Cake, Candles, and No Dirty Dishes to Clean?

Sit back, relax and let Sticky Fingers Cooking do the work for you with our all-inclusive party package! Celebrations begin with a private cooking lesson during which party guests will prepare a birthday meal to enjoy during the party! After their culinary adventure, guests will get to do a cooking-related craft and take home their very own recipe card and wooden spoon - just like the one they cooked with at the party. We'll handle everything else - from blowing up the balloons to taking care of the cupcakes. All parties are two hours long and packed full of culinary creativity and fun! If you would like to book a birthday party with us, please contact us for availability.
